Collaboration in Action: *Advancing Integrative Health through Research, Education, Clinical Practice and Policy*

*"The Congress where you can expect to be engaged, intrigued,
enlightened and revitalized."*

The 2018 International Congress on Integrative Medicine & Health Program Planning Committee invites you to submit a proposal for consideration.

Clinicians, investigators, and other professionals, including fellows, students and trainees in all areas of integrative health and medicine-related disciplines, are encouraged to submit abstracts of innovative and interactive programs targeted toward clinicians, researchers, educators, and policy makers.

Abstracts are being accepted for the following types of sessions:

- ▶ Pre-Congress Workshop
- ▶ Panel Discussion
- ▶ Symposium
- ▶ Experiential Workshop
- ▶ Research Abstract (oral or poster presentation)
- ▶ Non-Research Abstract (oral or poster presentation)

Topics include, but are not limited to:

- ▶ Clinical
- ▶ Education
- ▶ Research
- ▶ Policy - Including Research that Informs Policy

For more information and to submit an abstract, visit <https://internationalcongress.imconsortium.org>
